CERTIFY  
YOUR  
VOLUNTEERING

**VOL+** is a volunteering certification  
With this hallmark volunteers can enrich their resume  
And prove the experience they have gained

## WHAT'S CERTIFIED

It distinguishes 3 levels of development

The process involves the following steps:

First contact meeting

Self-evaluation questionnaires

Analysis

## COMPETENCES

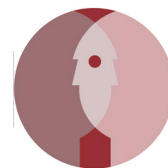

**VOL+** certifies some or all of the competences volunteers have gained while volunteering:

Analyse and solve problems

Ability to lead initiatives

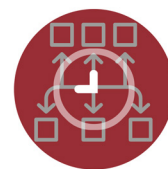

Interpersonal Communication

Flexibility and innovation

Initiative and self-government

Planning and organisation

Team work

The **PVE**, as issuer of **Vol+ Certificate**, works in coordination with all stakeholders:

**Volunteering organisations:**  
supporting the implementation of the programme among their volunteers

**Companies:**  
which participate, by fostering volunteering among their employees, providing volunteers with broad experience in competence management

**Volunteers:**  
assisting and guiding them along their certification process.
